Volunteer Application

The Little Chute Windmill and Van Asten Center is a functioning Dutch smock mill and interpretive center in Little Chute. The authentic wooden windmill is a tribute to the Dutch heritage of the village. Tours take visitors to various areas of the windmill, allowing people to see the actual operation of the mill as it harnesses wind power to grind grain into flour.

VOLUNTEERS PLAY A VITAL ROLE IN THE SUCCESS OF THE CONTINUED OPERATION OF THE WINDMILL. Your time and talent is essential in maintaining this extraordinary symbol of Dutch history in the community.

By filling out this application, you agree to the following:

- I agree to volunteer for an average of three times each month, dependent upon facility needs. I understand that I need to act in a positive and professional manner, since I represent the mission and vision of the Little Chute Windmill.
- By submission of this form, I affirm that the facts herein are complete and true to the best of my knowledge. Any false statement or omission made by me on this application may result in the immediate termination of my volunteer status.

Please note that due to the nature of our business, we perform a brief background check on all volunteers. All information obtained will be kept confidential.

(Please print clearly.)
